8th Golf Classic 2003 edition ... A BIG THANK-YOU...

The eighth edition of the golf tournament to help out the "Fondation Rêves d'Enfants" organization was held at the Du Moulin golf course last September 12 th. A great success that permitted us to accumulate the sum of 7 200.00\$, this thanks to all the participants and our contributing partners whom we wish to thank sincerely. The temperature was magnificent which contributed greatly to the days success.

We are already at work putting into place the organizing committee for the next edition. If you feel like getting involved all you need to do is contact us.

A rating of 9/10 at Consultants Québec

The **Quebec quality movement** in collaboration with **The Ministry of Economical and Regional Development, Emploi Quebec Montreal regional management** and the **Groupe Opti-Production** have developed a common data base available on the internet which regroups the management consultants in Quebec. Auger Groupe Conseil has registered with success while obtaining **a global customer satisfaction rate of 9 out of a possible 10, the result of a survey conducted by the Baromètre firm.**

Auger Groupe Conseil and the health sector

For the last six years Auger Groupe Conseil has been interested in the health sector. Some projects have been realized to the satisfaction of customers in this sector.

Specialist « 5S » and Value added production

Recently, M. Denis Carpentier has joined our team as manager of projects. He distinguishes himself as a specialist in « 5S » and value added production. He is recognized for his competence as trainer and popularizer, the quality of his work as well as his capacity for synthesis and analysis.

Among others, Mr. Carpentier worked for close to 6 years for Corus S.E.C. where he participated actively as a member of the pilot committee elaborating and implanting « 5S » at Corus S.E.C. With this tool, Corus S.E.C. has become a reference in continuous improvement throughout the province. Further more, as certified trainer, he has participated on numerous « 5S » projects in the plant and offices. Let us remember that Corus S.E.C. of Cap-de-la Madeleine has had close to 45 projects at their plant..
